Laundry Powder & Fabric Softener Electronic Smart Soap Dispenser

5 Row/17 Coil Electronic Smart Operated Soap Dispenser

Model Number PKS-A85 Features :

- ★ The PKS-A85 is a 5 Row, 17 Coil Electronic Vending Machine, perfect for any laundry room.
- ★ The vender has an 85 packet vend capacity and is fully electronic, incorporating a Nayax Onyx touch reader for all Credit and Debit Card, Phone and Smart payments. This means any pricing can be set, including different pricing per row and in 1 cent increments.
- ★ Managed via the Nayax Moma2.0 app allows realtime management, sales metrics and remote vending.

NOTE: Coin is not available

- ★ The cabinet offers a hinged door with security locks and large plexi-glass product display.
- ★ Due to no coins/money stored in the vender, break-ins and potential theft are minimised.
